PRESIDENT: Chair recognizes Senator Mahoney.

SENATOR MAHONEY: Mr. President, I ordinarily, with the Chairman of the Budget Committee, would hold this over, but these figures, Senator Marvel, will not change by tomorrow morning. It's the basic figures that we need to operate this Legislature in the next year. As Senator Marvel has pointed out to us, we know definitely that we have returned to the state government treasury a figure of \$300,000. We know that this money is not reappropriated into the next year. We know that we'd have to go through this all over again tomorrow. We also know that the Governors cut, which has been presented to me here through Eldon Erlich, brings it back to the original figure that the Governor himself felt that this Legislative Council ought to operate on in the next year. I feel that, in my closing, Senator Marvel has checked this budget. I have checked it with our staff in the Executive Council. We know that this is the nuts and bolts of the Legislature, and the working arm of it. To operate the Legislature in the next year, I ask you to override the veto now. I sorrow, I pine with Senator Marvel, but I don't think tomorrow would make us any more difference. We'd have to do this sometime.

PRESIDENT: Senator Kelly your light's on, is that . . . For what purpose do you arise sir?

SENATOR KELLY: I was voted out of order and accept it.

PRESIDENT: The question is shall LB 606 pass not withstanding the objection of the Governor. Record your vote. Have you voted? Record. Record. Roll call vote? Alright, call the roll.
